## £160 PEDAL POWER

THESE six cyclists used pedal power to raise money for Gosberton Baptist Church restoration.

Charlotte Hezeltine, Phyliss Baxter, Arderne Gillies, Doug Roberts, Gill Adlard and Maurice Adlard were under starters orders from the Rev Tom Gillies.

They completed a 25-mile ride and raised

£160.

The first back completed the trip in 2½ hours. And on their return, the saddle-sore riders were given beans on toast by the ladies of the church.

The church is to hold a concert on Saturday July 20, (7.30) and a garden party on Saturday, August 17, also to raise money for the restoration.
