Fond farewell to parish council clerk Della

GOSBERTON Parish Council said thank-you and goodbye to a much loved clerk who has given 34 years of service to the village.

Della Skells worked with an incredible 43 different councillors in her long service to the parish council and her replacement Sue Roe is

aware of the footsteps she is following in.

Sue told the Spalding Guardian: "She had been clerk for 34 years and missed

only two meetings.

"That is quite a record and she is very proud of it.

"It will be quite an act to follow."
